O2 HUB Café: an inspiring space under the direction of Perfect Canteen

The café in the GAMMA Building lobby recently reopened after renovation.

It's open to the public and also serves as a co-working space for meetings, relaxation, as well as work, workshops, and the like.

In O2 HUB Café's cozy interior, the staff prepares many types of high-quality Nespresso coffee and filter coffee from the Czech roaster Doubleshot. On inclement fall days, it's the ideal place for a cup of coffee with warming flavors, such as gingerbread or caramel. They offer refreshing homemade fruit drinks and homemade sweets (occasionally even raw desserts and desserts without gluten or refined sugar or lactose), as well as several types of panini, purrito, and even traditional párek v rohlíku (hot dogs, Czech-style).
